

OSI Digital Profile

Accelerating Digital Transformation With Purpose, Precision & People

Established in California in 1993, OSI Digital has grown into a truly global business and technology solutions provider — committed to helping organizations transform, perform and thrive in today's digital economy. We operate at the intersection of business and technology, integrating industry insight, technical excellence and data-driven innovation to deliver measurable results and sustainable growth. We believe people are at the heart of every successful digital journey. Our team of trusted advisors, creative problem-solvers and technical experts partner closely with customers to understand their unique challenges, shape strategic direction and deliver end-to-end solutions. From enterprise applications to analytics to cloud and cybersecurity, we help unlock the full value of data, systems and processes.

Our Services:

OSI Digital offers a comprehensive suite of services designed to enable business agility, data-driven decision-making and operational excellence. Our key capabilities include:

- › **Application Development & Modernization:** Creating, upgrading and optimizing software solutions to align with business goals.
- › **Enterprise Applications:** Modernizing and integrating core business systems to improve performance and drive efficiency.
- › **Customer Experience:** Delivering seamless, personalized and engaging user journeys across channels.
- › **Cloud & Infrastructure:** Designing and implementing scalable, secure environments that support innovation and growth.
- › **Enterprise Automation & Orchestration:** Streamlining workflows by connecting technology platforms and orchestrating data and processes seamlessly.
- › **Analytics:** Transforming raw data into strategic assets that support better decision-making and business transformation.
- › **Managed Services:** Delivering continuous operational excellence through proactive monitoring, maintenance, and optimization of mission-critical systems, ensuring reliability, scalability, and performance.
- › **Advisory Services:** Guiding customers through every stage of their digital transformation journey with strategic insight, solution design, and technology roadmaps that align with business goals.

From Strategy to Impact: Delivering Real Business Value

With operations spanning eight countries, OSI Digital supports customers from start-ups to Fortune 500 organizations across multiple industries. We combine global scale with local expertise, enabling us to respond swiftly, deploy efficiently and deliver in regions across the Americas, EMEA and APAC. We pride ourselves on our ability to understand complex business realities and translate them into smart, scalable, cost-effective solutions. From strategy to execution to ongoing optimization, OSI Digital delivers with passion, precision and purpose. Our clients don't simply complete projects — they realize competitive advantage.

Powered by Integrity & Purpose

At the heart of OSI Digital is a world-class team dedicated to innovation, transformation and measurable outcomes. Our culture is grounded in:

- > **Integrity:** Doing the right thing for our customers, partners and colleagues.
- > **Purpose:** Solving meaningful business challenges and enabling better-performing organizations.
- > **Client-First Mindset:** Measuring our success by the success of our clients.
- > **Curiosity & Agility:** Staying ahead of the technology curve and adapting quickly to change.

Our Core Values:

INNOVATE:
We foster innovation and excellence at work

IMPACT:
We are laser focused on creating measurable outcomes for our customers

INFLUENCE:
We are friendly, approachable and relationship-driven

INSPIRE:
We inspire a purpose-driven team spirit and culture

“We have built a team of high-performing professionals whose personal qualities—friendliness, humility, flexibility, and professionalism—are the foundation of our culture. We remain committed to attracting individuals who share our core values, whether they are at the start of their careers or bring decades of industry experience, enriching the value we deliver to our customers and partners.”

– KUMAR YAMANI,
CEO AT OSI DIGITAL
